

## AIRTIGHT SYSTEM GUARANTEE

Isocell GmbH accepts liability under this guarantee provided that:

- the products are used according to the applicable standards and guidelines (ÖNORM, DIN, ZVDH) and/or in accordance with the installation instructions issued by Isocell GmbH.
- Isocell GmbH and/or a person authorized by the company has had the opportunity to examine claims on site. Furthermore, an appropriate period of time must be allowed for Isocell to have laboratory tests carried out and to process the claim.
- Isocell GmbH has been immediately informed about any defects.

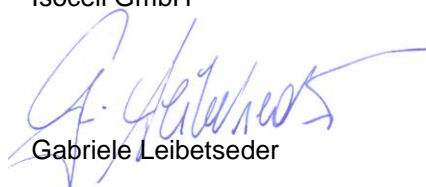

Unless otherwise agreed, the period of the guarantee applicable is the period given in the guarantee found on the individual products, and is a minimum of 10 years. During this period we replace free of charge every product that no longer conforms with the properties essential for its use, as listed in the product sheet. The guarantee is limited to defects in material and such properties as are named expressly in the written specifications issued by Isocell GmbH as guaranteed properties.

Isocell GmbH undertakes to repair or replace as quickly as possible any products with noticeable defects in material or manufacturing or any products not corresponding to the guaranteed properties. For the necessary repair work in this connection we accept liability to the amount of the cost price incurred by the workmen (carpenter, roofer, dry liner).

The material is delivered to the construction site free of charge. We reserve the right to carry out the work ourselves or to appoint another company to work on our behalf. Work must be carried out according to the applicable standards and directives (DIN, ZVDH etc.) and the products used in accordance with the installation instructions of Isocell GmbH. For consequences arising from inappropriate handling, improper storage, incorrect combination with other products, mechanical damage and the use of items other than those that are part of Isocell's system products we can accept no liability either for the products or for the consequences.

This guarantee does not affect your statutory rights.
